1. You don't belong to us ,if you offend your motherland  
 And forget about the conquered home we had bloodily to defend  
 You don't belong to us ,con-if you're loyal to foreign nations  
 And give away just piece by piece what we've built for generations

Ref.:You just belong to us ,if you don't try to run away  
 And don't fear to keep on fighting here until your dying day  
 Don't fear! don't fear! don't fear! don't fear!

**wamp**

2. You don't belong to us ,if you live your life as a thief  
 And steal away from the old people their money and belief.  
 You don't belong to us ,if you don't care about life  
 And manslaughter or kill somebody's little child and wife

Ref.: You just belong to us ,if you don't try to run away  
 And don't fear to keep on fighting here until you dying day  
 Don't fear! don't fear! don't fear! don't fear!

3. You don't belong to us ,if you just bought a home for pelf  
 And betray us while you're making some good business for yourself  
 You don't belong to us ,if you just came to twist the knife  
 And make a fool of both our religion and our life.

Ref.:You just belong to us ,if you don't try to run away  
 And don't fear to keep on fighting here until you dying day  
 Don't fear! don't fear! don't fear! don't fear!
